

Features

- 5U height
- Built-in system monitoring board to detect the temperature, +5V power supply and fan speed
- Front removable fan filter
- Removable fan designed
- Support standard alone installation or Combine as a Rackmount of 4 units solution

Specifications

Format	5U height, 19" rack-mount
Processor	SBC PICMG 1.0 / 1.3
GPU	SBC depend
Front I/O	Power switch, LED Indicator, FAN filter
Rear I/O	IEC320 Power Input and 5 slots
Expansion Slot	4x PCI / 2 PICMG (one share)
COM	2x DB9 (opening)
Network	SBC depend
Storage	2.5/3.5 SSD or M.2 SBC depend
Power Input	AC 110~240 auto switch 120~180W
FAN	Multi-Speed; Removable FAN; Removable Filter
Working Temp	-20°C to -60°C
Working Humidity	5% - 95% non-condensing
Certificates	CE, CCC, FCC Class A, RoHS
Size	110 x 440 x 221 mm (WxDxH)
Weight	TBD

When installed
in a rack-mount shelf

Ordering

CS-RM500 **Black, 5U, Computer Module**

Accessories (optional)

CS-RM500BRK **5U Rackmount Shelf**
